

This EULA is a legal agreement (hereinafter "Agreement") between Sysmalogic and you, either an individual representing a single business or entity, or a single business or entity representing the end users under which this license Agreement implies. (hereinafter "Licensee"). This Agreement covers all software, all current available license grants, associated media, any printed materials, data, files and information and any "online" or electronic documentation which it accompanies, and which has been provided to Licensee as firstly a trial version and a free limited featured version which is automatically enforced after trial period has expired, without payment of any fees or costs. Licensee acknowledges that in order to use the full version software after the trial period has expired and to use the software with extended functionality other than of the free version, a purchased license file is required.

### **Assent to Be Bound**

By selecting "I Accept" or "I Agree" on the installer page, executing a written copy of this Agreement, copying or using this Software, Licensee agrees to be bound by the terms of this Agreement. If Licensee does not agree with any term or condition, do not download, order, open, install or use the Software or product package.

### **DISCLAIMER**

DESPITE SOFTWARE HAS BEEN TESTED THOROUGHLY AND IS KNOWN TO BE STABLE, THE SOFTWARE LICENSED HEREUNDER MAY CONTAIN DEFECTS. LICENSEE IS ADVISED TO SAFEGUARD IMPORTANT DATA, TO USE CAUTION AND NOT TO RELY IN ANY WAY ON THE CORRECT FUNCTIONING OR PERFORMANCE OF THE SOFTWARE AND/OR ACCOMPANYING MATERIALS.

### **Grant of Trial License**

Subject to the terms and conditions of this Agreement, Sysmalogic grants to Licensee a non-exclusive, non-transferable license (without the right to sublicense) (i) to use the full version of the Software for limited number of days (as specified on Sysmalogic's official website including the right to evaluate the software by means of consulting services), and (ii) to copy Software provided that all titles and trademarks, copyright, and restricted rights notices are reproduced on such copies.

### **Grant of Free License**

Subject to the terms and conditions of this Agreement, Sysmalogic grants to Licensee a non-exclusive, non-transferable license (without the right to sublicense) (i) to use the Software in accordance with the Documentation including the right to evaluate the software as means of consulting services, and use the software in other organizations other than in the Licensee organization). and (ii) to copy Software for archival or backup purposes, provided that all titles and trademarks, copyright, and restricted rights notices are reproduced on such copies.

### **Grant of Purchased License Type: Single User**

Subject to the terms and conditions of this Agreement, Sysmalogic grants to Licensee a non-exclusive, non-transferable license (without the right to sublicense/resell) to activate the software license file on one machine and to be used by one user. The software user may connect to the licensee's company specific domains/trust partners accessible to the software user.

### **Grant of Purchased License Type: Single Consultant**

Subject to the terms and conditions of this Agreement, Sysmalogic grants to Licensee a non-exclusive, non-transferable license (without the right to sublicense/resell) (i) to use activate the software license file on one machine and to be used by one user including the right to use the software

by means of consulting services and use the software in other companies and locations provided the end user is the licensee.
